ASMIUA

49th Annual Scientific Meeting of Indonesian Urological Association

Preparing the Next Generation of Urology for Future Challenges

September 30th – October 3rd 2026,
Holiday Inn Bandung Pasteur, Bandung, West Java

FIRST ANNOUNCEMENT

Welcome Message

from the President of the Indonesian Urological Association

Distinguished guests, respected colleagues, ladies and gentlemen,
On behalf of the Indonesian Urological Association, it is my great honour and pleasure to welcome you to **the 49th Annual Scientific Meeting of the Indonesian Urological Association (ASMIUA)**, held on **30th September - 3rd October 2026**, at **Holiday Inn Bandung Pasteur**, Bandung, West Java.

ASMIUA stands as our most important annual scientific gathering, serving as a platform for academic exchange, professional development, and collaboration among urologists and healthcare professionals from across the country and beyond. Through carefully curated scientific sessions, symposia, and workshops, we aim to advance knowledge, encourage innovation, and strengthen the quality of urological care.

This year's ASMIUA holds special significance, as it also marks an important milestone in the life of our association. During this meeting, we will conduct the election of a new President of the Indonesian Urological Association, a moment that reflects our commitment to democratic leadership, continuity, and the future growth of our organization.

I encourage all members to actively participate-not only in the scientific sessions, but also in this important organizational process-as we collectively shape the next chapter of our association.

Beyond the scientific and organizational agenda, I hope you will also take the opportunity to enjoy the unique charm of Bandung, a city known for its cultural richness, creativity, and warm hospitality.

I sincerely wish you a productive, engaging, and memorable ASMIUA 2026, and I thank you all for your continued dedication to the advancement of urology in Indonesia.

Thank you, and welcome to ASMIUA 2026.

President of the Indonesian Urological
Association

Welcome Message

from Chairman of 49th ASMIUA

Welcome to the **49th Annual Scientific Meeting of the Indonesian Urological Association (ASMIUA)**.

It is our great honour and pleasure to invite you to participate in ASMIUA, which will be held on **30th September - 3rd October 2026 at Holiday Inn Bandung Pasteur**, in Bandung.

ASMIUA is a prestigious annual scientific meeting that brings together urologist, healthcare professionals, researchers and industry partners to exchange knowledge, share the latest scientific developments and foster meaningful collaboration in the field of urology. The scientific program has been carefully designed to provide high-quality lectures, symposia, workshops and interactive discussions led by distinguished national and international expert.

The theme chosen for the ASMIUA 2026 is **“Preparing the Next Generation of Urology for Future Challenges”**.

In addition to the scientific sessions, ASMIUA 2026 will also feature IAUI NIGHT, a special social gathering aimed at strengthening collegiality, friendship and professional bonds among members of the Indonesian urological community. Furthermore, a variety of sports activities will be organized to promote wellness, camaraderie and a balanced meeting experiences.

Beyond its scientific and social program, ASMIUA offers the unique opportunity to experience Bandung—a city renowned for its pleasant climate, rich culture heritage, creative atmosphere and warm hospitality. Nestled among scenic mountains and celebrated for its culinary and lifestyle attractions, Bandung provides an ideal setting for both professional enrichment and personal enjoyment.

We sincerely look forward to welcoming you to ASMIUA 2026 and to an inspiring scientific meeting in Bandung.

Welcome to Bandung

Nestled in the highlands of West Java, Bandung is a vibrant city where natural beauty, rich history, and creative energy come together in perfect harmony. Known as the “Paris of Java,” Bandung charms visitors with its cool climate, scenic landscapes, and distinctive architectural heritage. Surrounded by lush mountains and tea plantations, the city offers refreshing escapes such as the stunning crater of Tangkuban Perahu and the serene shores of Kawah Putih.

Bandung is also celebrated for its remarkable Art Deco buildings along Jalan Braga, reflecting its colonial-era elegance blended with contemporary creativity. The city is a hub for fashion and design, featuring numerous factory outlets, boutique stores, and local artisan markets that showcase Indonesia’s dynamic creative industry.

Culinary enthusiasts will find Bandung a true paradise. From the iconic flavors of batagor and siamay to innovative modern cafés serving locally sourced coffee, the city offers a delightful gastronomic journey for every palate.

Whether you are exploring its cultural landmarks, enjoying its cool mountain air, or immersing yourself in its thriving creative scene, Bandung promises a memorable and inspiring experience for every visitor.

Abstract Guidelines

Guideline for Abstract Abstract Free Paper

- All abstract(s) must be submitted in English. Applies also for the title, text body and author affiliations
- Only abstract submitted through the website congress or congress email will be considered
- Cancellation or name changes should be notified 5 months prior to the congress by email to asmiaa2026@pharma-pro.com
- Systematic reviews (with or without meta-analysis) can be submitted only when they meet the following standards:
 - The clinical question was clearly defined using a standard PICO (Population, Intervention, Comparison and Outcome) format
 - A comprehensive systematic literature search was carried out an assessment of the risk of bias was made
 - Key findings are clearly described including clinical practice relevance

Authorship

Each quoted author should have contributed substantially to the represented work in terms of conceptual design or analysis writing of article and final approval of the article in order to take public responsibility for the content.

Size

The size of abstracts not more than 300 words and limited to 3,000 characters (including title, body of abstract, spaces tables and graphics). Every picture / graphic count for 500 characters.

Title

The title should clearly define the topic. Do not identify your institution in the title. There is no maximum length for the title. However, the characters in the title are included in your total character count. The first letter of the title will automatically begin with a capital letter. Do type the abstract and title in small letters, except for abbreviations. Do not type the abstract title in capital letters.

Authors

Type the name of the institution, department, city and country in English.

Affiliation

Type the name of the institution, department, city and country in English.

Body of the abstract

you can format your abstract using the following structure:

- Introduction & objectives
- Materials & methods
- Results
- Conclusion

State the objective of the study, describe the material and methods, summarize the results presenting sufficient details to support of the conclusions reached (not acceptable to state: "The results will be discussed"). Use number for numbers and only very well-known abbreviations e.g. kg, MRI etc. If you must use other abbreviations, you must explain it the first time it appears. You can use the special keys to insert tables, pictures or specific characters.

Proof reading

Verify that your abstract is correct and read the proof carefully that will be automatically shown after you have inserted all data. Keep a printout for your own records.
